

ABOUT THE BAND

The Capital City Mulligan Band (CCMB) was originally formed as the Dunkley's Mulligan Band in 2010. We started as a small community band for people who used to play instruments in band and wanted to have a second chance -- "take a Mulligan" in golf terms.

The band rehearses on Saturday mornings during the Fall and Spring. If you are interested in the joining the band or would like to learn more about the group, please visit our website www.ccmband.org.

THANK YOU!

CCMB would like to thank the Cathedral of the Rockies for graciously allowing us to rehearse each week in the Fellowship Hall, as well as the opportunity to utilize their beautiful Sanctuary for performances.
